

# HRRP General District Coordination Meeting Okhaldhunga Meeting Minutes

Program/Area:	Okhaldhunga
Meeting Purpose:	HRRP General /Technical coordination Coordination Meeting
Meeting Date:	07/01/2017
Meeting Time:	11:00 AM-1:30 PM
Meeting Location:	Siddhicharan Municipality Meeting Hall Okhaldhunga
Meeting Facilitator:	Uttam Parajuli,Prakash Basnet
Minutes Taken By:	Prakash Basnet,Sagar Chandra Adhikari

## Discussion:

*Chair: Mohan Kumar Shrestha (Mayor Siddhicharan Municipality Okhaldhunga)*

### Agendas:

#### **1. Introduction and Welcome:**

*Act. chief of NRA (National Reconstruction Authority) of okhaldhunga Mr. Yubaraj Kheral welcomed all the participants in the meeting and thanked all the participants for their support in coordination and requested to raise issues related to reconstruction through this platform in the upcoming days and all the participants introduced themselves from their respective place. Meeting was facilitated by HRRP okhaldhunga team.*

#### **2. Discussion on Non-Compliance Issues within the district and way forward:**

*Firstly, various noncompliance issues within the district were discussed in meeting as per district support engineer (DSE) Bibek Basnet in okhaldhunga most of the non-compliance issues are in RCC structure like insufficient reinforcement in the column, column not in proper grid, eccentric footing provided, excess opening like shutter in the RCC structure etc. are the major problem in the frame structure whereas there are few issues in the mud mortar structure.*

*Meeting was mainly focused in the issues for those houses whose file were forwarded by the municipality but forwarded by the NRA engineer.*

*During the first discussion for those building which are not under the building code NBC205 (National building code) but according to municipality rule those houses do not need to submit the structural report and those houses were also built prior to the formation of guideline of NRA.*

*For those house, as per it has become problem to recommend for the second tranches.*

*so, for the technical solution of this issues it was decided to send letter from the municipality to National Reconstruction Authority and Central level implementing unit (CLPIU).*

- **Note:** In Siddhicharan Municipality rule is that structural analysis is only applicable for the house with more than three floor building, building exceeding 1000 square feet in plinth area and building having structural span more than 4.5 meter.*

*Second decision made was that Municipality will only forward the file of those houses which are built as per NBC code (National Building Code) and the file forwarded by the municipality will be recommended for the second tranches by DLPIU as soon as possible.*

*Third decision made during the meeting was that for the stone and mud mortar building having two floor and attic which was also included in the design volume catalogue 1but afterward the rule was made to allow only one floor and attic and those houses which were constructed already are under noncompliance and not provided the second tranches.*

*It was decided to send letter to upper level for the possible solution of such cases.*

*Third decision made from the meeting was regarding the house with shutter i.e. Having more opening area.*

*in Okhaldhunga district in most of the RCC structure have provided shutter and for the recommendation of third tranches for those building has not been clarified in the guideline so it has been difficult to proceed those file for third tranches. to clarify this issue it was decided to send letter to concerned stakeholder.*

# HRRP General District Coordination Meeting Okhaldhunga Meeting Minutes

## Discussion:

### **3. Reconstruction Updates from POs (UMN, Red-Cross & Helvetas) in the district.**

*In okhaldhunga there are very few partners working in reconstruction Engineer Roshan Dulal from united mission to Nepal informed that UMN has recently completed their disaster risk reduction program in ilaka no six of okhaldhunga where they have constructed 22 houses for the landless and has already handover to those landless and for the next phase they have planned to build 12 houses for landless in various wards of Molung Rural Municipality.*

*Similarly, Krishna Upadhaya Engineer from Nepal red cross society gave the updates of their reconstruction at harkapur and prapacha of okhaldhunga.*

*As per him out of total planned 520 beneficiaries in okhaldhunga 507 has done agreement and 505 has received their first tranches ,259 has received their second tranche and 164 beneficiaries has received their third tranches whereas 265 beneficiaries has completed their construction and are on the process of receiving the third tranches.*

### **4. Challenges of Reconstruction in the District from POs.**

*Availability of the Trained mason in the district and lack of proper information to the beneficiaries Frequent change rules and regulation by NRA and sometime delay in receiving message by partners.*

*Geographical challenges for supplying the construction materials in various places.*

**AOB:** *Meeting was formally closed by the Mayor of Siddchiran Municipality by his few words. He articulated that he was happy to hear the discussion in the meeting for the reconstruction and also suggested all the participants to help reconstruction in an effective and efficient way and he also said that he is always with us for any help need for any issues in the reconstruction.*

## PARKING LOT:

**5.** *Combined field visit (NRA, HRRP, POs) to the partners working Ares in regular basis two per months*

**6.** *Upcoming HRRP Coordination/Technical Coordination meeting will be held on 15<sup>th</sup> of the next Nepali months*

## Miscellaneous Items / AOB:

*HRRP District Team suggested Partners to inform about their any events and news to share with the HRRP team so that HRRP can reflect that events through the Weekly news and updates.*
