

District Report

Dolakha

12 – 18 January 2018

Activity Summary

Activity	Contact Person	Reference Document
<p>Earthquake Safety day celebrated: Earthquake Safety day at Dolakha was celebrated with participation of members from DCC, NRA, DUDBC, HRRP including organizations working in recovery and reconstruction.</p>	<p>techcoord.dolakha@hrrpnepal.org hrrpnepal.org ravi@hrrpnepal.org</p>	
<p>Mason training accomplishment: DUDBC has trained 36 masons at Sunrawati VDC</p>	<p>techcoord.dolakha@hrrpnepal.org hrrpnepal.org ravi@hrrpnepal.org</p>	
<p>UNDP constructed house using GI Wire: CDRMP/UNDP has constructed 24 houses in Dolakha district using GI wire containment technology. This technology does not require reinforcement, cement and sand for the construction of houses. For the construction of two-room, stone in mud mortar house with GIS wire containment would cost around 60-70 thousand. Such houses can be constructed within 25 days.</p>	<p>techcoord.dolakha@hrrpnepal.org hrrpnepal.org ravi@hrrpnepal.org</p>
