## News & Updates

### # “Palika level meeting at Galchi rural municipality on 21<sup>st</sup> March 2018.

***Figure: Palika level meeting at Galchi RM***

On 21<sup>st</sup> March, HRRP, DUDBC, MoFALD-DLPIU, MOUD-CLPIU, DCC, NSET, Galchi RM, NRA engineers and ward leaders conducted palika level meeting at Galchi RM ward no.: 6, Galchi office. The major discussion of the meeting was on irregularity of field level NRA engineers working directly for the beneficiaries at each ward. Due to absences of engineers at field, most of the beneficiaries were facing difficulty in getting technical assistance from them. Voice was also raised against taking extra money from the beneficiaries for giving technical support and forwarding documents for further tranches but no evidence was found while discussing at the meeting.

A close coordination among ward chairperson and field level NRA-engineers was maintained through mutual understanding, cooperation and support from either side.
