News & Updates

- 20th Earthquake Safety Day was conducted in Sindhuli with the presence of different government bodies and INGOs/NGOs. The program was chaired by Acting CDO, Nura Hari Khatiwada. Political leaders also expressed their views regarding the earthquake issues.
- We visited Kamalamai Municipality office and talked with the information focal person, Ram Babu Khakurel about the building drawing and building bylaws. He stated that around 4,400 beneficiaries are listed in the Municipality to reconstruct the houses but only drawings of 1,400 houses have been approved by Municipality office and remaining are in process. He also said that there is no clear vision on timber structure building so that process of drawing of these houses is difficult.
