The Resurvey and verification list was published or not. If not when will be published.	Karsang Dolma and Kam bhutti Nakor both are from Gosaikunda RM ward 6.	Not published yet, Central NRA said list will be published very soon. After the data were published we will coordinate through ward president.
I was enrolled on 2074-10-11. When I went to bank to collect first tranche bank told me the cash was not deposited yet. Why this process is late?	Nabraj Devkota from kalika RM ward 5.	After the enrollment process ward should have to update /provide eligible id number together with red book to DLPIU -EHRP. Then they will update your name in MIS then after Kolanika will deposit cash on bank. First go at ward office and request them to send enrollment document as soon as possible .
I had received 1st tranche from Lumanti. Now Lumanti already completed their project from 30-Dec,2017. I had not started construction till now. From where I will get 2nd and 3rd tranche (GON or Lumanti).	Raj Kumar Darji from uttargaya RM ward 5	After communicating with Lumanti project coordinator Mr. Pravesh Khanal. There were two beneficiaries who have received 1st tranche from Lumanti but they did not receive further tranches because they did not start construction in time. Now Lumanti is planning to shift those beneficiaries on government side. They are working on this at center NRA. This process seems quite difficult.
